Women Of The Nation, **RISE!** It's a new year and we have a new plan to complete for the Lord! We must stand and pray against division and strife in this land! America needs freedom from demonic princes over this nation that are trying to destroy the very foundations within our borders. We can bring change in this area with our united prayers. Don't be divided. If we are divided we cannot finish the course of history God has set before us! God is calling us as Women Of The Nation to unite, stand, and pray regardless of race, color, creed, or gender. He is asking us to cross the borders of denomination and petty differences and celebrate who we are in Christ as a body of believers. We can make a difference but we must push through the deception of the enemy who has been sent on assignment to bring this nation down. We were established **ONE NATION UNDER GOD** and we will not accept anything less than our established nationality. Declare it with me today as the Spirit of God brings it to your mind over and over again. **AMERICA IS ONE NATION UNDER GOD. AMERICA IS ONE NATION UNDER GOD. AMERICA IS ONE NATION UNDER GOD.**

Scriptures to pray together:

Psalms 5:12, "For You, O Lord, will bless the righteous (in America); with Your favor You will surround us as a nation with a shield of Your protection."

Isaiah 59:19, "The enemy has come in like a flood in our land, but You, the Spirit of the Lord, will lift up a standard against that enemy." Thank You, Father God, that **WOMEN OF THE NATION** stand united and we hold up our hands in divine and purposeful worship setting up Your throne once again over our nation. The enemy has come in like a flood but You have sent him out and we stand united with You, our shield and protector. Father, Your word says in John 14, and we stand upon and agree with the words of Jesus. "The devil is coming, but he has nothing in me." In Jesus' name the devil has nothing in or on the righteous of this land called America. We are not in any kind of covenant or partnership with the devil. We stand united to our God and You stand with us. We are not afraid. We are strong. Thank You, Father, in Your ancient language You put the word 'truth' in the midst of the word 'mother'. As mothers of America, we stand and declare and proclaim truth to our generation and the generation to come. America is God's land. America is God's nation. We do not belong to another king. Jesus Christ is King, Lord, Savior, and God over America! United we stand, divided we fall. We will not be divided. We stand and declare together unity and we denounce the demonic stronghold of division over this land.

Why are we here today? To make revolution.

What kind of revolution? A righteous revolution.

How do we do that? By restoring the American family.

How do we restore the American family? By restoring God, as Father of this nation.

How do we restore Father God in America? By taking back our authority in the name of Jesus and operating in our Holy Spirit power.

How do we do that? By restoring righteousness.

How do we restore righteousness? By worshiping our Father God in spirit and truth, and filling ourselves up with the Holy Spirit and God's word.

How do we do that? By promoting righteousness, holiness, purity and the supernatural miracle working power of God in our individual lives.

In Romans 6:13 You remind us Father, to yield our instruments, our sound, our tone, our worship, our words to righteousness. Lord, we are the sound of righteousness throughout America. We sound the declaration of freedom, power, and unity through the mighty name of Jesus. We stand and pray together all across this nation that America belongs to God! Kingship belongs to You, our Lord, and You rule over America. (Psalm 22:28). We are a blessed people because our God is the Lord. (Psalm 144:15). Thank You, Father God that You are ready to be sought by those who did not ask for You; You are ready to be found by those who did not seek You. Father, we seek you for those who don't know any better. We stand for the unrighteous in this land that are deceived by the accuser of the brethren. He has been cast down and silenced in our lives but unrighteous and unholy people still hear his accusing sound and are deceived by it. Father, we stand in the gap for the deceived Americans who don't hear Your voice. Open our ears so we can hear You clearly. Open our eyes so we can see You plainly. Lord, show Your glory upon this nation and upon the righteous in this land. We thank You, our Father God, God of this American nation, that you are still on the throne here and with a remnant of righteous survivors You will show Yourself strong on our behalf.

We thank You, for the fall of demonic kingdoms here in America, and the demonic strongholds of deception to fall in Jesus mighty name. Reveal Yourself Father. Reveal Your glory. Reveal Your righteous revolution in this land. Open the eyes of our national, state, and local leaders to see You as Lord and Savior. Walk the halls and rooms of every government building Father and send angels to do Your bidding and pleasure among the leadership. Raise up godly leaders on every level of government and influence Lord and remove ungodly leaders in every area of influence in this land. Start in Washington, DC and come forth all the way to local government, school boards, and churches, Father. Clean this nation with Your blood and power. We ask You and we believe You, that a righteous revolution is here!

Women Of The Nation please pray about joining me in Lansing, MI for our next Rise, Women Of The Nation conference March 2-3. The web site will be finished and launched within the week so feel free to check it out at www.womenofthenation.org and ask your friends and family to sign up and join us in prayer. I cannot do this alone. I need you to help me spread the word and get the women in your circle of influence to sign up to pray and stand with us. At this point, it's completely free. Our ministry is funding everything so far and if you feel led to partner with us whether in a one-time gift or a monthly partnership we would be eternally grateful. You can set that partnership up through www.salemfamilyministries.org as the Lord leads you to do so.

All the emails sent to pray together since September are posted on the new web site so as others join they can download every prayer.

I love you,

Cheryl Salem
