## RISE, WOMEN OF THE NATION!

As we finish this year of 2017 (17 means victory in the ancient Hebrew language) I am reminded that we have already **WON** before we begin as long as we walk in the plan and purpose of God. I believe that the Lord has divinely laid out a foundation for women of the nation to take back our land for the cause of righteousness. I cannot emphasize enough how important it is that you daily shake off the spirit of apathy and stupidity. Please do not misunderstand me. I am not saying that you are apathetic or stupid. I am saying that these two spirits have been unleashed over this nation and it's people for many decades and these two demonic spirits have had a full grip on the minds of God's people here in America.

We have accepted ridiculous laws, and been completely silent when sin simply moved in and truly took over the thinking of the American people. We must not remain silent. We must fight these two strongholds of apathy and stupidity and take our nation for the cause of Christ. The devil knows the scripture and he knows that a three-fold cord is not easily broken so he unleashes demonic forces in groups of three. What is the spirit that stands strong with apathy and stupidity? A strongest of the three spirits called division. Apathy-Division-Stupidity all must come down in the mighty name of Jesus Christ over this nation called America. We were founded on the **WORD** of God and His power and presence here in this land. We were founded on freedom, liberty, and justice. We unleash angelic forces to combat the enemies of the Lord.

James 4:4 states, "Adulterers and adulteresses! Do you not know that friendship with the world is enmity with God? Whoever therefore wants to be a friend of the world makes himself an enemy of God."

Notice this verse is addressed to adulterers and adulteresses. We think in terms of marriage and extramarital affairs when we see these two words, but here God is addressing people who have befriended the world and in turn have turned their backs on His presence. We cannot play both sides of the kingdom with God. He will not share our affections. We must all decide and make a choice with whom we will stand. I stand with God. I turn my back on the world. I 'unfriend' the world and I will not have fellowship with darkness. If you stand with me then you must 'unfriend' the world and turn your back on darkness too!

John 3:34, "For He whom God has sent speaks the words of God, for God does not give the Spirit by measure."

As I have meditated on this particular verse I am reminded that God has sent us, you and me, to stand for this nation. He has sent us to speak the words of God both publicly and in private intercession. He has put His words in our mouth and this mandate to 'save America' for the glory of God. He has not measured out His Spirit to go with us in this battle but has given us His Spirit without measure! God has given us access to His Spirit in a limitless supply of His presence and power. Please know that I feel 'small and inadequate' too. Please know that I fight the same thoughts that this has gone too far, that America can't be fixed with a group of women praying and standing and fighting together in the Spirit. Please know I feel just like you do, that this can't be done! And I hear it too. I fight the words of those closest to me, who are discouraging me, and reminding me that a fight like this could literally destroy what we have worked our entire lives for. But these are all lies from the enemy to try and bring such a load of discouragement that, like all the others who have been called to do this before us, who have given in and didn't obey the Lord, that we might give up and simply pass the buck to the next generation as well. The truth is we can't wait any longer. The darkness has grown so dense that the **LIGHT OF AMERICA** can't survive another year much less another generation. Please shake off the discouragement and the lies of the enemy and stand with me. I need you to

get at least 3 more women before the end of the year to sign up and join us in prayer. I need you to help me. I can't do this alone. I can't rally the women. I need your help and your influence in your community and sphere of influence.

I preached my heart out last weekend and every woman in the house should have signed up to join us in prayer, but only nine women joined us. I need you to help me. Will you stand with me and influence the women around you to join me? We are days away from launching the full completion of the web site with all the prayers and teachings available. It will help us but nothing is more powerful than your personal testimony and influence!

God watches over His word to perform it. (Jeremiah 1:12)

So shall God's word be that goes forth from our mouths. It shall not return to God void, but it shall accomplish what God pleases and it shall prosper in the thing for which God sent it from our mouths as we pray. (Isaiah 55:11)

Let's pray God's word together.

Isaiah 55:6, "Father, we seek you while You may be found here in America. We call upon You while You are near. Let the wicked forsake his way and the unrighteous man his thoughts. Let him return to You, Lord. Father, have mercy on the unrighteous here in our land. Abundantly pardon the sins of the ungodly in America Lord. We stand in the gap for this nation as a few righteous women, Lord. We need Your presence here with us. We need Your power here. Manifest Your glory, power, and presence through us as we stand for righteousness here in America Lord.

Father, awaken Your church to stand and fight the good fight of faith. Lord, Your house shall be called a house of prayer for all nations. (Isaiah 56:7)

So shall we fear the name of the Lord from the west, and Your glory from the rising of the sun; when the enemy comes in like a flood, You, Father, the Spirit of the Lord will lift up a standard against the enemy. Father the Redeemer will come to Zion. We will worship You in spirit and truth and expect our Redeemer to manifest and show Himself here in America. As for You, Lord, You say that this is Your covenant with us: Your Spirit who is upon us, and Your words which you have put in our mouths, shall not depart from our mouths, nor from the mouths of our descendants, nor from the mouths of our descendants' descendants, Lord, from this time and forevermore. We stand for our generation and for two more generations to come after us Lord. We are not so short sighted as to think this is a quick fix but we pray for our children and our children's children to be awakened to stand on the wall and call forth the watchmen to listen and see what the Spirit is saying to all of us! (Isaiah 59:19-20-21)

Thank You, Lord, that we have Your Spirit without measure. Thank You Father that we can change this nation to righteous thinking and living from this day forth. Thank You, our King of this land! Be enthroned over America! We will pray, believe, worship and receive all of Your Spirit and Presence for righteousness and holiness here in our nation. We unfriend the world and we bind every demonic spirit of division, apathy, and stupidity over Your people!

We love and appreciate you as you stand and pray with us. We believe America will be saved from destruction. WE believe America will turn back to God, to righteousness and holiness. We cry out for a righteous revolution revival to hit this land from coast to coast and flood Your people with Your presence and power in the mighty name of Jesus Christ.

Please continue to pray and stand with me!

I love you dear WOMEN OF THE NATION, RISE!
