## RISE, WOMEN OF THE NATION!

Our next Rise, Women Of The Nation event is a month away now! Lansing, MI, Gilead Healing Center on Creyts Rd. Please go to the web site and register today! I need to know you are coming and that you are standing with me for righteousness to sweep this nation and continue to do so. I believe we are making spiritual headway through our prayers. It is no accident that sin is being exposed at the highest levels from Hollywood (West) to Michigan State (Midwest) to Washington DC officials (East). God is sweeping this land with a sweeping, weeping, reaping, righteous revival! Let's not back off now. We must stand together, push through the 'strife maker, division causer' attacks and bring unity to this land through our prayers and intercession.

We will worship together, intercede together, stand together, be healed together, and be restored together at Rise! Women Of The Nation March 2-3. I was led by the Spirit of God to choose this next location and little did I know that a few months later, He would speak to me about standing in the capital cities of every state. Lansing is the capital city of MI! Without even knowing it, I was led by the Lord in this location choice. I am not saying that every Rise Women Of The Nation event will be held in a capital city but my goal is to eventually hold our gatherings in all the state capital cities of our land. We will start with Lansing! Sin is being exposed there and righteousness is rising! God has a remnant of righteous people there through Mount Hope Church, House of Prayer Church, Mount Hope Church Grand Blanc, and other churches as well. If you are a church in that area and you want to join us we have a group rate for churches that want to come as a group! Call Debbie Squire in our office 918-639-1747 and she can get you all set as a group.

Let's pray together.

**Father, thank You for this land we call home. Thank You for America. Thank You for this righteous revolution revival You have called us to bring forth, birthing it in the Spirit for our nation, Lord. We are not timid and we do not back off. We push (Pray Until Something Happens) for coast-to-coast, border-to-border waves of righteousness to spring forth here in our beloved nation. Thank You for what You have already done here, and for what You are about to do here. We call forth for angels to surround our nation to do Your good pleasure. We speak forth as we draw our swords in the Spirit and we lift our shields high of protection over this nation. We ask You Father to send waves of Your glory across this nation causing those who love You to hear Your voice, to lift their heads, their hands, and their voices in worship to You! Lord, we love You! We long for You to break forth across the land. We will do our part and make our worship, our prayers of intercession heard in the throne room of heaven. We are not afraid. We are fearless in Your presence. May the fruit of the spirit come forth from all of us who are standing for You. We long to be heard**

**and seen differently from any other movement. We don't need another movement Lord. We need a move of God! Lord, move across America!**

**I see by the Spirit this morning as I am praying the face of our Father God. I see Him on every side of this nation. I see His mouth wide open, and out of it is pouring forth-massive waves of His glorious presence, bringing healing, and deliverance, breakthrough and victory for His righteous people. I see a sweeping across this land from the Mouth Of The Lord! Get ready! Grab a hold of something so you are not swept away because it is coming and it is massive! Many who thought they were 'ok' will not be 'ok'. Many who have hidden behind pulpits and titles will be swept away in this wave of righteousness coming forth from the Mouth Of The Lord! Fall on your face and cry out to God for mercy for America.**

**We stand together Lord, and we make a barrier protection for the righteous, Lord. We know You watch over Your word to perform it so today we pray Your word in Jude 1:20-25. We are Your beloveds, and we build ourselves up on our most holy faith, praying in the Holy Spirit. We keep ourselves in the love of God, and we look for the mercy of our Lord Jesus Christ unto eternal life. We have compassion on some, and others we pray for salvation with fear of You, Lord, as we snatch them out of the fire of the enemy who has come to divide and conquer. We hate the garment defiled by flesh and we ask for Your robes of righteousness to cover us, Lord. In the name of Jesus Christ we will not be a divided nation or a people. We unite by choice to stand together in Your presence and speak forth the righteous revival You have called to come forth in America. Righteous revival come forth in Jesus name! Be birthed in our land and do what needs to be done to bring us back to holiness and righteousness, putting Father God back on the throne of the hearts of the people of this nation. Now to You Father, who is able to keep us from stumbling, and to present us faultless before the presence of Your glory with exceeding joy, to God our Savior, who alone is wise, be glory and majesty, dominion and power, both now and forever Amen!**

Thank you for praying with me today. Please print out our prayers and keep praying them daily. We make our voices one by the Spirit of God and bombard the throne of heaven to the righteous Judge of America.

We have successfully launched our new [womenofthenation.org](http://womenofthenation.org) web site. You may send all your friends to the site now to download every email prayer I have sent you, and to listen to an audio message from me.

God bless you today. May He make His face to shine upon you and give you peace.
