Women Of The Nation, RISE!

Please continue to pray for March 2-3, 2018, at the Gilead Healing Center, in Lansing, MI! We have only begun to advertise and already have over 60 registrations. The facility will hold 300 (Gideon's Army) so I can see us filling it long before March!

I continue to hear the Lord say, "Raise up My Army of Women who will stand and pray and not be afraid to face the enemy head on with My Word in prayer and reverse the curse."

The devil's ways are simple, to keep us divided and fragmented and we will have little power. We must fight our way through division and strife and strike back at the enemy through unity and prayer. Ever since I launched what the Lord told me to do with Women of the Nation I have been under attack. People who have stood with me as friends and partners for decades are turning on me, becoming offended, confronting me, etc. I **RECOGNIZE THIS AS THE ENEMY.** I refuse to put a human face on the plans and strategy of the devil. I know whom I am fighting and it is not people. I am not fighting those I have stood with for years. I won't open my mouth to defend myself when I know I have done nothing wrong and the motives of my heart are pure and righteous. So I take my lead from Jesus who 'answered them not a word.' The Lord is my defense.

Why am I telling you this? The enemy has nothing new; he is coming after you with the same strategy to divide and conquer. It will not work in the mighty name of Jesus Christ! We have already **WON!** Women of the nation rise and take your place on the wall of intercession and prayer. Do not attack your sisters in the faith; hold your tongue with people and pray!!!! Let us bombard heaven together and cause the sound of heaven to come forth from our being filling the heavens and the throne room of God with our intercession and unified prayers for America!

Let us unite our voices as watchmen (watch-women) on the wall of intercession for this nation. Let us look past our insecurities and uncertainties of our differences and stand for this common cause to put Jesus Christ on the throne over this nation. We will not allow the demonic prince over America to have any more stronghold power here. We ask the Lord to put the blood of Jesus Christ over us, covering us with purity and righteousness. We ask the Lord to put legions of angels around this nation from every corner and every inch of our borders in the Spirit causing every demonic stronghold to have to loosen its grip and back away in the name and authority of Jesus Christ! We come against every spirit of division and we call forth for unity. We stand and pray together through the Word of God. You said in Your Word Father that You watch over Your word to perform it. (Jeremiah 1:12) We are not praying our words Lord, but we are praying Your words!

I love you. I stand with you.

Scripture prayers to pray for America and for us who are Americans!

(Psalm 133:1-3)

Father, behold, how good and how pleasant it is for brothers and sisters to dwell together in unity!
It is like the precious oil upon the head, running down on the beard, the beard of Aaron, running down on the edge of his garments.

It is like the dew of Hermon, descending upon the mountains of Zion; for there You, Father, the Lord over America, commands the blessing of life forevermore!

America will survive. America will thrive and live again under Your command, authority, and blessing Father!

Thank You, for performing Your word!

(I Peter 5:8-9-10-11)

America is sober, and vigilant; because America's adversary, the devil, walks about like a roaring lion, seeking whom he may devour.

Devil, you may not devour us! You may not devour our nation! You may not devour Americans.
We put you on notice; an enemy of God is an enemy of America. You, devil, and all your cohorts are enemies of America.

We cast you down in the name of Jesus. We strip you of any authority and power concerning this nation and its people.

We are united and we stand together proclaiming the name of Jesus Christ as King and Lord over this nation.

America will be saved!

America will be led by the Holy Spirit's power and direction.

We resist you, devil, and all your demon forces. We are steadfast in our faith, and we know that you, devil, have no new methods of attack.

We recognize your division spirit and we cast it out in the mighty name of Jesus.

We acknowledge Jesus Christ and His power and authority over America.

We thank you Father God, the God of all grace, that You are with us always.

We thank You Lord who called us to Your eternal glory by Christ Jesus and we choose to walk in Your glory every day and not in the darkness.

Thank You, Lord, that even though we have suffered a little while, You are perfecting, establishing, strengthening, and settling us, and all of America.

Father God, to You be all glory and the dominion in this nation and in the lives of all Americans forever and ever, Amen!

Keep praying WOMEN OF THE NATION! RISE!
