Women Of The Nation!

An openly hostile war has been declared by almighty God between Satan and all women! Let us take our positions and make the devil pay for what he has tried to do to our homes, families, marriages, children, grandchildren, and ultimately this nation! An enemy of my God is an enemy of mine and I declare open hostility toward Satan and all his offspring in the mighty name of Jesus Christ! (Genesis 3:15)

I was on an airplane this past week and as I have been meditating on the court of heaven, and all the 'players' set forth by the word of God, from Jesus Christ as our Mediator and Defense, Satan as the accuser and adversary, God as the Righteous Judge, and ultimately us, God's women, as the witnesses, giving righteous testimony in open court for America. With all of this revelation so fresh in my mind and spirit the scriptures are jumping off the pages as I read now. I was reading in I Peter 2:6 in the MSG and I saw this statement. "*The Scriptures provide precedent.*" Yes, the Scriptures do provide precedent in all matters! We search the Scriptures and we declare what God says about our land that we love and about our families, and lives, and futures with hope in Jesus name! God watches over His word to perform it. (Jeremiah 1:12)

Just a reminder if you can make plans to join us in Los Angeles for the next Women Of The Nation Summit we long to have you stand with us and pray for America. I will have a fresh word from heaven for you and it will be a time of worship, prayer and intercession; divine court will be in order and we will give righteous testimony for America! Mark your calendars for August 24-25 and go to our web site to register. We have group rates available also so get all your women you have influence with together and join us! Fly in, drive in, or take a train but find a way to join us! I need you with me! Go to [www.womenofthenation.org](http://www.womenofthenation.org) to register! If you need to register a group call Debbie Squire in our office 918-639-1747 and she can get you all set up!

Let's pray together and give righteous testimony for America.

*Joel 2:12-17, "Even now," Says the Lord, America, you must turn and come to Me with all your heart in genuine repentance, with fasting and weeping and mourning until every barrier is removed and the broken fellowship is restored; America rip your heart to pieces in sorrow and contrition and not your garments." Now America will return in repentance to the Lord our God, for our God is gracious and compassionate. Our God is slow to anger, and abounding in loving kindness and faithful to His covenant with His people. Father, we cry out for You to watch over Your own word as we testify for America. We prophesy that as ten negative witnesses cost Israel the promised land for forty years, we have more than ten righteous women who are standing today for America, our great nation, that is truly one nation under God and we refuse to be divided. We prophesy that America is indivisible. When we are under Your authority and control we are not divided. Father, come and sit upon our nation once again. We call for Your divine government to be established above this land we call our 'home of the brave', our beloved homeland, America.*

*We stand in the gap for all those who do not repent and we corporately repent for the entire nation. We rip our garments and fast and pray for our land to be restored to its founding purposes. I call for a fast across this nation*

*until righteousness is restored. Father, we cover those who are deceived, with Your love and we cry out for mercy and grace for them. We prophesy for the spirit of deception, anger, hatred, division, racism, and rage to be exposed by Your mighty outstretched arm across our land. We resist you, demon forces, and you must flee from all four borders!*

*Father, we cry out for You to relent Your sentence of evil when Your people genuinely repent. We pray that You will leave a blessing behind for those of us who have heard the call to stand and pray until America is restored and evil is exposed and rejected. Father, we blow a trumpet in worship, warning of impending judgment. We dedicate a fast as a day of restraint and humility and we call a solemn assembly. We gather the people and sanctify the congregation. We assemble the elders, and gather the children and the nursing infants. Father, let the bridegroom come out of His room and the bride out of her bridal chamber. Let the priests, the ministers of the Lord, weep between the porch and the altar and let us all confess and ask together, "Have compassion and spare Your people, O Lord, and do not make Your inheritance in this nation an object of ridicule, or a humiliating byword among the other nations. We know where our God is! You are enthroned above the praises of Your people Father, in America! Our God is the Lord Jesus Christ and there is no other.*

*James 4:6 in the Passion Translation states that You, Lord, will continue to pour out more and more grace upon us. For it says, God resists us when we are proud but continually pours out grace to us when we are humble. Father, we humble ourselves before You, and we cry out for this great nation. Come, Father, and reveal Yourself to us. Let us see You face to face and let us know You intimately. We call for a righteous revolution revival to fill this nation from the west and the east and cover every state Father, with Your glory! We thank You, Father as we dispatch angelic forces to shut the doors of the enemy and open the windows of heaven over America and every American family. Expose the evil Lord, but pour mercy and grace upon the people Father!*

*Micah 6:8 declares America, the Lord has told you what is good and this is what He requires of you; to do what is right, to love mercy, and to walk humbly with our God. We confess that America and every American will walk uprightly before our God and do what is right. America loves mercy and America walks humbly with You, Lord. We call those things that are not as though they were concerning our land. We will not say what we see but we will prophesy Your will, the will of heaven to the earth, in the mighty name of Jesus. America shall be saved!*

Prayer warring women, I ask that you find a time and place and fast for America over the coming days. I will fast one meal a day for the next two weeks. I will look for what works with my schedule each day and allow the Holy Spirit to guide me. Please do the same. When we fast and pray we will see a quicker manifestation of God's miracle power at work in our land and even in our personal lives! Expect miracles; expect the glory of God to manifest. Expect the Father to reveal Himself to you! I would love to hear from you, your thoughts, ideas, and scriptures the Lord gives you. Please share them with me. I love it when I get your input!

Please do me a huge favor. Find one woman in your sphere of influence and convince her to go to the web site and join us to pray. We could double our warriors if each one of you would reach one person this week. Make it a daily mission to find one person to join us! I can't do this alone nor can I build it alone. I need your help.

If you would consider hosting a Women Of The Nation Summit in your local area I would be so blessed and honored to bring our team and stand together. My vision for 2019 is six WON Summits but would love to do even more if the Lord moves upon you to host one in your area! Email me if you are interested and we will start praying and seeking His face and find a date as He directs us!

I already know each and every one of you because I see you at His feet daily as we pray together. You are my sisters in this openly hostile war against the accuser and adversary. The devil's going down and we are going to keep our foot on his neck until he gives up and flees from our nation!

His forever,

Cheryl Salem
