Women Of The Nation, Pray!

I am so thankful for you standing with me to pray for America, for our local churches, for righteousness to arise and darkness to go in Jesus name! I ask that you open your Bible and read Isaiah 3-4-5 and mark these verses please. I will begin to use them in this letter and letters to follow as I feel the Lord has revealed these verses to me to show the condition of our nation at this very moment. I won't teach it to you but simply share it with you and let the Holy Spirit reveal to you the prophetic nature written to describe our nation and what has happened within it and the restoration coming because of our rising up to stand and pray for America and our great land! A remnant of righteous women will cause the tide to turn and judgment to be averted for America. I believe this with all my heart. I believe this is why God has chosen us to stand together and reverse the curse!

If you have not made plans to be with me in Woodland Hills, CA (Los Angeles) August 24-25, at In His Presence Church on Califa St. please pray and seek His face. I need you to be here and I need your unified voice to stand with me! I will attach the brochure with the details and information to this letter. Please register so I know you are coming. **If you can volunteer to help us we will waive your registration fee**, but you need to call Debbie Squire and let her know you are available to help and she will plug you in to a position we need filled! 918-639-1747. I hope to see you there.

If you are near Phoenix, AZ area we have planned a one-day, all day WON Summit the end of January 2019. Please check out the www.womenofthenation.org web site to download the brochure for this event and if you can be with us, we need your help!

Let's pray His Word together. (Isaiah 3)

Father we stand upon Your word and we seek Your face for America. We see the condition of our land because of your judgments and verdicts You were forced to render because of our complacency and ignorance. Lord, we see plainly through Your word what we must do. We stand and speak. We testify and give righteous witness for the defense of America before You, oh Righteous Judge. Isaiah 43:26 states, "Remind Me of your merits with a thorough report, let us plead and argue our case together; State your position, that you may be proved right." Father we argue our righteous cause before You and we state our position that we may be proved right and You may render a righteous verdict for our beloved homeland. Father, we cry out for Your word to be true concerning America as You state in Isaiah 43:18. We will not remember the former things, or ponder the things of the past. We listen carefully to You for You are about to do a new thing! Father, we need Your new thing here in America. Now it will spring forth and we will be aware of it! You will put a road in the wilderness of America and a river in the midst of our desert. Lord, send the rain of Your presence across our great land for Your glory!

Your word states in Isaiah 3 that You will remove the unrighteous and weak leaders of our nation. You say for us to listen carefully; the Lord God of hosts is removing from America both supply and support, and whole supply of bread and the whole supply of water; the brave man and the warrior. You are also removing the judge and the prophet, the

diviner and the elder, the captain of fifty and the man of honor, the counselor and the expert artisan, and the skillful enchanter You are removing! And You will make mere boys our princes, and capricious, impulsive and unpredictable children will rule over us. And the people will be oppressed, each one by another, and each one by his neighbor; the boy will be arrogant and insolent toward the elder and the vulgar and common toward the honorable person of rank. When a man takes hold of his brother in the house of his father, saying, 'You have a robe, you shall be our judge and ruler, and this pile of ruins will be under your control,' He will protest on that day, saying, 'I will not be a governor; for in my house there is neither bread nor clothing; you should not make me a judge and ruler of the people.' For America has stumbled and fallen, because their words and their actions are against You, oh Lord, to rebel against Your glorious presence and defiantly provoke You. Their partiality testifies against them; they display their sin like Sodom; they do not even hide it. Woe, for judgment is coming to them! For they have brought evil on themselves as a reward. Say to the righteous that it will go well with them, for they will eat the fruit of their righteous actions. Woe, for judgment is coming to the wicked! It shall go badly with him, for what his hand has done shall be done to him. O God's people! Children are their oppressors, and women rule over them. O God's people! Your leaders lead you astray and confuse and destroy, and swallow up the direction of your paths!

God, You will judge!

You rise oh Righteous Judge to content and stand to judge the people. You enter into judgment with the elders of Your people and their princes, for the wicked have devoured the vineyard with their oppression, and they have robbed the people and ruined the country. The plunder of the poor is in their houses. What do they mean by crushing Your people and grinding the face of the poor? Declares the Lord God of hosts!

America's unrighteous women denounced!

Moreover, the Lord said, "Because the daughters of Zion are proud and walk with outstretched necks and seductive and flirtatious, alluring eyes, and trip along with mincing steps and an affected gait and walk with jingling anklets on their feet, therefore the Lord will afflict the crown of the head of the daughters of Zion with scabs making them bald, and the Lord will expose their foreheads sending them into captivity. In that day the Lord will take away the beauty of their anklets, braided caps, crescent head ornaments, dangling earrings, bracelet, and the hanging veils and scarves, head wraps and turbans, short, jingling ankle chains, sashes, perfume boxes, amulets and charms, signet finger rings, nose rings, festival robes, outer tunics, shawls, handbags, hand mirrors (cell phones and 'Selfie' devices), fine linen under garments, headbands, and veils covering the entire body. All these coverings and jewels that were meant only for My bride, says the Lord, will be removed from the unrighteous women and placed upon the righteous women.

Now it will come to pass that instead of the sweet fragrance of spices there will be the stench of rotteness; instead of a belt, a rope; instead of well-set hair, baldness; instead of fine clothes, a robe of sackcloth; and branding of captives by the scorching heat instead of beauty. Your men will fall by the sword and your mighty men in battle, and America's gates will lament, cry out in grief, and mourn, as those who wail for the dead; and she, being ruined and desolate, will sit upon the ground.

Father, we hear what Your word says. We cry out for mercy for America. We cry out for the pride of unrighteous women to be exposed and dealt with by You, our Righteous Judge. We ask that You help us as Your Women Of The Nation to know how to pray. Help us! Give us strength to stand together and not be afraid. We ask for mercy for our nation as we stand together united, organized, and strategically following Your lead every step of the way. Oh Righteous Judge, give us more time to stand and plead our case for America. We ask You to move

on the hearts of other righteous women in this great land to stand with us! We can reverse the curse as You have asked us to do.

We are not blind to the Words of scripture that describe our nation right now. Unrighteous women have strategically displaced our righteous men and now we are exposed. Thank You, Father God, for righteous leaders from local, state, and national positions to be filled with godly men and women. Cover our great land of America Lord. Do not judge us harshly. We have found at least ten righteous people! We are 1,011 strong now, Lord and growing daily. We plead our case before You; Hear us, Oh Lord and give us more time to find more witnesses to testify in the defense of America.

We plead the blood of Jesus. We plead the blood of Jesus. We plead the blood of Jesus. We confess and believe together, America shall be saved!

I will continue upon this line of prayer for our nation in the coming weeks. Please keep contending and praying daily. Read the following chapters in Isaiah (3,4,5) and begin to pray them as the Lord leads you.

I hope to see you August 24-25 in Los Angeles area and in Goodyear, AZ (Phoenix) in January 2019! We are strategically taking our nation back together on our knees!

I believe in your prayers,

Cheryl Salem
