I am so thankful for all who were able to join me the last weekend in August for our fourth Women Of The Nation Summit in America. We were able to take much spiritual ground in the Los Angeles area and I am truly thankful for all those who volunteered to help us, supported us, financially gave to help us accomplish yet another Summit, the worship team and the thirty witnesses who gave testimony for the defense of America through the various topics the Holy Spirit has directed us to cover.

We are attaching the next two upcoming WON Summits, Ozark, AZ January 19, 2019, and Goodyear, AZ, January 26, 2019! These two Summits will be back-to-back weekends and we need all hands on deck to help us as we take this nation for the glory of God as we organize, strategize, and unify women. The Spirit of the Lord spoke to my heart and said these words. "You are empowering women through unity and the power of the Holy Spirit to change this nation for My glory." I believe this with all my heart. Thank you for helping me through prayer and your support, partnership, and attendance!

If you are not partnering with us monthly I humbly ask you to pray about doing so. Go to our web site and click on the tool bar to support us and join us financially in this fight for our great nation. I need your help both in prayer and financially. All I would ever ask you to do is seek the Lord in what He would have you do to join me. Please talk to the women in your life as well and ask them to sign up to join us! We need more voices speaking God's word and power.

Last weekend we had such powerful anointed witness prayers I asked many to send them to me so we could publish them for you to pray too. Please don't hesitate to print these prayers out and put them in front of your eye gate throughout the day to remember to pray in unity the word of God. This particular prayer is from Tina Marie Perez on the subject of righteousness, holiness, morality, and ethics restored in our nation. Here is her witness testimony for you to speak along with us.

Call for Restoration of:

Righteous Responsibility Morality Ethics

Testifying in defense of America.

We bring a righteous testimony.

We come before the Righteous Judge.

Being fully confident we continually have an advocate in and through Jesus Christ, empowered and comforted, directed and guided by the Holy Spirit. As believers we have a right to **come boldly before your Judgment Seat to obtain mercy and find grace in our time of need** (Heb. 4: 16)

We, the people of the United States of America, specifically those who are **called by your name, specifically those who continue to humble themselves and pray, seeking your face, making concentrated and determined efforts to turn from our wicked ways** (2 Chron. 7:14), we ask that you would fully unleash the power of the Spirit of the Living God, straight from your throne room of grace and mercy, to bring healing to our land, for a swift return to righteousness, taking full responsibility, demonstrating morality, integrity and godly ethics in our daily lives in order for these things to be fully restored.

Your Honor, at the outset of our appointed time together, I declare, as in the decree in Psalm 100:4 **"I enter your courts with thanksgiving in my heart and I will enter your courts with praise and I bless and submit to your Holy Name!"** Your Honor, Father God, I respectfully come before the court of Heaven in the Mighty, Holy and Powerful Name of Jesus Christ, declaring that the name of Jesus has always been and will continue to be the name above every name! Knowing that it is truly the blood of Jesus that enforces our rights and gives us access into your courtroom this day. Reminding those in attendance today that when Jesus, our Savior and ultimate advocate, testifies in our favor, His testimony sets into motion the legal right for you, Your Honor, the right to render judgments and decrees in our favor.

In humility, we ask for your assistance to help us to be a people who do as your word requires in **Micah 6:8, Those who do justice, love kindness, and walk humbly with you, our God.** We ask you as the Righteous Judge to issue an injunction against the Kingdom of darkness and that **your people would no longer be tossed to and fro with every wind and doctrine, by the trickery of men** as advised in your word (Ephesians 4:14)

Help us your Honor to **Walk in the light, as You are in the light, to have fellowship one with another, and continue to allow the blood of Jesus Christ, your son, to continue to cleanse us from all sin.** (1 John 1:7)

We know that even though we walk in our flesh - we are in a spiritual battle in which you have equipped us - thru **2 Corinthians 10:3-6** We make the strongest petition possible for the **Casting down of all imaginations, all arguments, and every high thing that exalts itself against the knowledge of you, the Righteous Judge, and to bringing into captivity every thought to the obedience of Christ; And for you to exact a readiness to revenge all disobedience, so that obedience to your mandates and orders, as found in the pages of Your Word, are fulfilled.**

We know that we, those under your rule, in your Kingdom, are in a spiritual battle and Matthew 11:12 tells us that, **"the kingdom of heaven suffereth violence, and the violent take it by force."**

Your honor, we ask that you strike down the accuser and slanderer of the brethren - the one who, is as 1 Peter 5:8 tell us **"is walking around, seeking whom he may devour."** We refuse to be downtrodden, beaten, accept his tactics and feel in any way condemned.

Before you and for the court record today, we repent of every sin whatsoever that could give the devil the legal right to come against us with accusations in this courtroom. We plead the blood of Jesus for our sins and to cleanse the bloodline - both now and against iniquities of previous generations. Nothing that has been handed down as curses will rob us of our blessings. We ask you God, the Righteous Judge to hand down a judgment in our favor - as you have promised that those You have called, are in fact those You will justify. Through the blood of Jesus we are pardoned, cleaned and found innocent of any wrong doing - moving forward in the name of Jesus to build your Kingdom and to do your will on earth as it is in heaven!

We refer back to the declaration in your Word (Revelation 12:11) that tells us **we overcome by the blood of the Lamb and the Word of Our Testimony.** Holy & Righteous Judge, your word says that you set up Kings and take them down. You are the owner of the universe. Everything in heaven and under heaven belongs to you. I petition the court for our federal, state and local government officials in the State of California and across our land - We petition the court for godly leadership to become evident in our nation.

We petition for the salvation of every government official who does not know you - whose name is not currently written in the lamb's book of life... that you would bring salvation to them and their household. However, Your Honor, if it is determined that they love their evil ways more, and refuse to heed and repent, we humbly, but boldly, ask that they would be removed from their office and replaced with a man or woman who follows wholeheartedly after you.

We cry out to you for mercy Your Honor. Direct a wave of repentance to sweep across our land like a mighty rushing wind. Let godly sorry invade all levels of society, every age, every race, every sex. Dispatch the hosts of heaven to come to our country, throughout our land and fight the wickedness in high places. Let all evil plans be thwarted forever in Jesus name.

We understand that it is imperative that we obtain a decree from You, from You, Oh Righteous Judge within Your Heavenly Courts.

One of your decrees in Jeremiah 23:5 declares **"Behold, the days come, saith the LORD, that I will raise up a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth."**

In closing, we humbly ask that you cause this to come to pass within our generation.

I pray you are able to grasp the power behind the well thought out and organized prayers you are receiving over the coming weeks in my emails to you. Each one is powerful. Please keep praying. Don't get weary; we are heard and answers are coming from heaven!

I hope to see you either in AQ or AZ in January! Start making plans today to join us. You can register on our web

site www.womenofthenation.org or www.salemfamilyministries.org

Keep checking back into the web site as we are posting new audio teachings regularly.

I pray that the Lord takes every moment you are praying with us and will give it back to you in a harvest of abundant blessed time in your life, health, and family. May these seeds of prayer come forth in blessings, grace, and mercy for you. Father, I ask You to heal every one of my sisters in prayer and bring about a great massive shift in the heavens concerning their future, finances, health and relationships.

Much love today and always,

Cheryl Salem
