Women Of The Nation,

2019 is the year to 'walk by faith and not by sight'. I have stepped back to reassess where we are in the spirit and the natural as a move of God. 'Women of The Nation' is a move of God and it is my responsibility to continue to seek His strategies, organize, and unify us as His voice for America before the Righteous Judge.

Thank you, to those who are responding to me. I know you are praying, and I also know out of the over 1300 women signed up to pray daily with me there is only a remnant who have taken up the mantle to carry forth! Thank you to those who are faithful to the call of the Lord to stand and pray for our great nation. I encourage you to print out the prayers and keep them before you.

We had to postpone the Ozark, ALWON Summit. I am diligently in prayer in how to keep women on fire to listen to the Lord, stand, and pray. We must stir up the flame of God's Spirit within each one of us to stay the course and finish this for His glory. We will finish strong!

January 26, in Goodyear AZ, WON Summit is only a week away so please pray and cover us. Come if you are close enough please. We need all intercessors and witnesses to help us poke holes in the demonic stronghold over the state of AZ. This is our first Summit in this great state and many of my faithful spiritual daughters have committed from all over the country to join me there. I am forever thankful for a core group of women who have heard the cry of my heart and are standing with me. Thank you!!!

We are so excited to announce that we are going into North Carolina April 6<sup>th</sup>, in Morganton with Pastors Rocky and Angie McLendon. You will see the brochures attached which you can download directly from the [www.womenofthenation.org](http://www.womenofthenation.org) or call 918-639-1747 and we will mail brochures to you. We need help in NC so if you are near enough to join us; please make plans to be there.

We will be back in MI May 11<sup>th</sup> in a new city for WON Summit, Grand Blanc, Mount Hope Church, with Pastors John and Wendy Galinetti. All hands on deck in the MI area for we will push back the darkness even further and give great access for God's light to shine forth!

A righteous revolution is sweeping across this land. Darkness is fleeing and glory will take her stand! The church is arising out of the brokenness. A righteous revolution is taking back our land. A righteous revolution is here!

We call those things that are not as though they already were. *PTJ* reads in Romans 4:17 like this, "Abraham is our example and father, for in God's presence he believed that God can raise the dead and call into being things that don't even exist yet." Let us as an organized, strategic, and unified voice of women, call into being things that don't exist yet for America. Philippians 3:12-13, "I admit that I haven't yet acquired the absolute fullness that I'm pursuing, but I run with passion into His abundance so that I may reach the purpose that Jesus Christ has called me to fulfill and wants me to discover. I don't depend on my own strength to accomplish this, however I do have one compelling focus: I forget all of the past as I fasten my heart to the future instead." We speak to the future and never rehearse what is behind.

Let's pray God's word together. Psalm 62 Passion Bible (PJB)

"America stands silently to listen for the One we love, waiting as long as it takes for You, Lord to rescue us. For You, alone have become the Savior of America. You, alone are America's safe place; Your wrap-around presence always protects America. For You, are America's champion defender; there's no risk of failure with You. So why would America let worry paralyze her, even when troubles multiply around her? But look at these who want America dead, shouting their vicious threats at our great nation! The moment they discover our weakness they all begin plotting to take America down. Liars, hypocrites, with nothing good to say. All of their energies are spent on moving America from this exalted place in Your presence.

(Pause in His presence) We will practice the presence of the Lord.

America stands in absolute stillness, silent before You, the One we love, waiting as long as it takes for You to rescue us. Only You, are the Savior, and You will not fail us personally or as a nation. For You, alone are our safe place. Your wrap-around presence always protects America as our champion defender. There's no risk of failure with You as our God! So why would we let worry paralyze us, even when troubles multiply around us? Your glory is all around America! Your wrap-around presence is all America needs, for You are our Savior, our hero, and our life-giving strength. America, join me, everyone! We trust only in You our God, every moment! We will tell You all our troubles and pour out our heart-longings to You, our God! Father, we know that you will always help us!

(Pause in His presence) We will practice the presence of the Lord.

Before You our God, all the people of the earth, high or low, are like smoke that disappears, like a vapor that quickly vanishes away. Compared to You, Father, they're nothing but vanity, nothing at all! The wealth of the world is nothing to You, our God. So if our wealth increases, we won't be boastful or put our trust in money. And we don't think for a moment that we can get away with stealing by overcharging others as a nation just to get more for ourselves! America is a fair nation and America deals fairly with others. You said to us once and for all, "All the strength and power you need flows from Me! All the love you need is found in Me!" We, as a nation, hear You loud and clear and it's true that You repay people for what they do. So Father, God we put our trust in You. We put our faith in You. We walk by faith and not by sight as a nation and as a people of God within this nation. America is one nation under God. America's money is stamped with 'In God we trust,' therefore, we do not put our trust in money but as a nation and a people we put our trust in You, our only help in time of trouble, our safe place, our wrap-around presence!

We will stay the course and complete the mission that God has set before us.

With much love and commitment,

Cheryl Salem
