Women Of The Nation we must pray!

I feel a deep cry within my spirit to research all the women of our generation with spiritual, natural, political, and cultural influence and begin to pray for those women by name! I feel the time is now; it's here. We must unify our prayers and cross every border, line, and boundary. Nothing can separate us from the love of God and there should be nothing separating us in prayer! Let's cross every dividing line and show the demonic realm that we are unified through prayer! Denominational differences, cultural differences, political differences, should not be keeping us from praying for one another. Jesus blood was shed for all mankind and womankind! We are to pray for one another so we can be healed therefore I am calling upon you to help me gather the names of the influential in your areas. Please email me their names and positions of influence, whether natural, spiritual, cultural, or political. We need to start praying for righteousness to be restored in females! We must not destroy our own nation as a deceived 'gender' group! I will ask my intercessors to start on the national levels immediately. Hopefully, by my next prayer sent to you, there will be a list of names for us to strategically, organized, and unified as one voice in the Court of heaven calling these feminine influences by name!

Please don't forget to make plans to join me in Morganton, NC April 6<sup>th</sup> and May 11<sup>th</sup> in Grand Blanc, MI for our next Women Of The Nation Summits! (Brochures attached with details for you.) There are many things I am praying about and reorganizing on my knees before the Righteous Judge about our Summits. Before I schedule anymore, I am receiving direct instructions from the

Court of Heaven. I will share with you the details as I receive them. You are precious to me and I am so very thankful for your prayers and your covenant to stand with me for our great nation and God's people within our borders. I have had several ladies ask me to remove them from this prayer list and my heart hurts each time as I have been extremely careful to not over send emails to you (only two per month) and I have stayed completely away from ridiculous opinions of personalities. My intention is to not influence any of you in anyway except in prayer. There is great controversy going on in our nation over the same issues that have been in front of us for decades. Let us unite in prayer and believe God for unity in the women of the nation and that we can bring Jesus on the scene of our land through our unity!

Father we thank You that You hear us and You answer us with a righteous verdict in Jesus' name! Let's pray together and use one of the prayers prayed in AZ at the last WON Summit!

#### **CALL FOR HOLY SPIRIT OUTBREAKS IN USA prayed by Cheryl Lunt**

**Holy and Righteous Judge, I come before You today on behalf of the Women of The Nation. We join together across the United States of America to plead for Holy Spirit outbreaks in our country from the north to the south and from the east to the west.**

**Your Honor we pray as Jesus taught us to pray in Matthew 6. Your Kingdom come and Your will be done on earth as it is in Heaven. We need Holy Spirit outbreaks across this nation to bring the kingdom of Heaven to the earth so that we see Your will come to pass in our land.**

**Your Word says in 1 Corinthians 4:20, "For the kingdom realm of God comes with power, not simply impressive words." Father God, we thank You for Your power flooding this nation.**

**It is written in Joel 2 and again in Acts 2 that "In the last days," God says, "I will pour out my Spirit upon all people."**

**Your Honor grant us a fresh outpouring of Your mighty Holy Spirit as was poured out on the early believers in the book of Acts and even greater in these last days. Your Word tells us in Acts 2 that the day of Pentecost has been fulfilled. We ask that the evidence of the fulfillment be displayed across the United States of America with power and might.**

**Righteous Judge, We ask for signs and wonders to manifest in our churches, in the marketplaces and shopping malls, in homes and in workplaces. We need Holy Spirit outbreaks in our nation so that we can see and experience revival here.**

**According to John 14:12 Jesus assured us saying, “Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do.”**

**Jesus said in Luke 11, “How much more will your heavenly Father give the Holy Spirit to those who ask Him.”**

**When the Holy Spirit comes in power, miracles manifest and people receive the gospel! In Acts 5 the apostles performed many signs and wonders among the people. More and more men and women believed in the Lord and were added to their number. As a result, people brought the sick into the streets and laid them on beds and mats so that Peter’s shadow might fall on some of them as he passed by. Crowds gathered also from the towns around Jerusalem, bringing their sick and those tormented by impure spirits, and all of them were healed. Thank You for hearing us, Righteous Judge and Father. You are the Lord of this Nation. I make this request for a Holy Spirit revival and renewal in America in Jesus Mighty Name. Amen!**
