Cathedral City, CA 92234

February 2, 2019

Last weekend when Arizona Summit began, we entered the courtroom of heaven with worship before the Righteous Judge. As we presented our requests we stood with our foot on the enemy's head and quieted the 'accuser of the brethren' with our powerful prayers, petitions and intercession. We gained ground in the spirit and on the earth! I know the atmosphere shifted! When we speak God's Word we speak with confidence and as we draw our spiritual swords and lift high our shields of protection over this nation change comes!

Our next WON Summit will be in Morganton, NC April 6. Then we will be in Grand Blanc, MI May 11. If you are near NC or MI for our next upcoming WON Summits, please make plans to join us. I will attach the brochures with the details and information to this letter. Please register so I know you are coming. Please pray and seek His face. I need you to be there and I need your unified voice to stand with me! God has chosen us to stand together!

I will continue to send you prayers that were prayed at our WON Summits by witnesses for the defense of America. Please print these prayers and read them daily. We stand together in unity and our prayers are heard in the heaven and answered here on earth!

God's Word and Prayer Restored in this Nation prayed by Debbie Squire January 26 at the Arizona Summit.

Let's pray together:

We stand before you today Oh Righteous Judge, petitioning for the restoration of Your Word and Prayer in America as it was in the beginning of this great land.

Hebrews 4:12 *"For the word of God is living and powerful, and sharper than any two-edged sword..."*

1 Peter 3:12 *"For the eyes of the Lord are on the righteous, And His ears are open to their prayers..."*

This country has a history of standing on Your Word and prayer. Harriett Tubman, Rosa Parks, Bridget Mason, Harriet Beecher Stowe, Abigail Adams, Susan B Anthony and many other women in this nation served You, sacrificed, prayed and stood on Your Word for what was right. Gathered here today, WE ARE YOUR WOMEN OF THIS NATION! We are standing on Your Word in prayer following your lead to bring about change in this nation.

Proverbs 15:29 *"The LORD is far from the wicked, but He hears the prayer of the righteous."*

Your Honor, I bring to Your remembrance September 7, 1774 when 56 of the most gifted, wealthiest men came together in a strong spirit of unity from all 13 colonies for the first Continental Congress. You met these members of Congress that day and put Your seal on their dreams of freedom for this nation. We do not take that seal of Your approval lightly. Today and every day forward we pray and believe for full restoration in this country. We believe in the principles this nation was founded on... YOUR WORD!

Again, You were there on July 4, 1776. The signers of the Declaration of Independence knew this was more than a document. To them it was a covenant with You, the most solemn, most sacred of human agreements. As they signed their names they understood that You yourself were a witness of their actions that day just as you are witnessing our actions here today. Like the pilgrims before them, they fully expected You to keep Your side of the covenant as they obeyed Your Word. As we gather here today we are in agreement and pray that you would move Your hand and sweep across this nation anew and restore this nation with our leaders prayerfully consulting You at every decision for this country, keeping You as head, the covering over our nation.

Deuteronomy 7:9 *"Know therefore that the LORD your God is God; he is the faithful God, keeping his covenant of love to a thousand generations of those who love him and keep his commandments...."*

In July 1863 You saw when General Robert E Lee was marching toward the capital and Abraham Lincoln humbled himself and prayed to You, Almighty God for this country. Let Your Word and Prayer be the first place our leaders go to for the resolution of any and all issues facing this nation. We know that Your Word is the answer to all things.

2 Chronicles 7:14 *says: "... if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."*

On December 4, 1800 congress decided that the Capital and the Treasury would also serve as church buildings. Almighty One, open the doors to restore Your Word and Prayer in our government and our government buildings. Let all government officials know and be in awe of your presence which we pray will fill every government building and every political office.

Oh Righteous Judge, we stand before You in the courtroom of heaven and ask that Your Word and Prayer replace the chaos and confusion in our nation, Your Word and Prayer replace the anger and hatred in our nation, Your Word and Prayer replace of all evil and evil intentions in our nation.

Isaiah 40:8 *"The grass withers, the flower fades, But the word of our God stands forever".*

We are asking You now to renew our national covenant with You.

Thank you for standing with me. We are seeing a difference in this nation because of our unity in prayer. Don't stop praying, don't give up! Don't look at what is happening on the news. Don't listen to people speaking negatively about our beloved nation! See with your spiritual eyes and hear with your spiritual ears what GOD ALMIGHTY is saying about our nation!

I love each and every one of you!

Cheryl Salem

Founder and President, Women Of The Nation
