Women Of The Nation Pray!

God is on the move; His glory is rising! In my prayer time I see Him high and lifted up over our nation and I believe it is because of our prayers and the prayers of other organizations who are listening and obeying in this hour of need for our nation and God's people within our nation.

Please don't forget to make plans to join us in Morganton, NC and Grand Blanc, MI for the next two WON Summits. I know these locations and times are strategic and organized by the Spirit of God during this season. If there is any way possible for you to join us, I need you to be there in person! Brochures are available for you to hand out to those around you. Please call Debbie in our office and ask for them or simply write me at [cheryl@womenofthenation.org](mailto:cheryl@womenofthenation.org) and we will send the brochures directly to you! We need your help spreading the word.

In my last email I asked you to start sending me names of women in your area and your state who are in positions of leadership and power so we can start calling out their names in the court of heaven. So far, I haven't received any names from you but I expect you to get those names to me so I can send them to everyone. In the meantime, we have pulled a list of female United States senators and representatives, which we will list at the end of this prayer. Please call these precious names out before our God as Righteous Judge and ask for His mercy, wisdom, and guidance for each one. I believe the Lord showed me this to be a strategic move for us as women of the nation to pray for those women who are in authority already!

I asked the Lord to give me specific scriptures for us to pray for these leading women so that His word could begin to move on their behalf. No matter what you personally think of these women we should be praying for them by name! We should be lifting them up so God can move on their behalf. We need each and every one of these women to have a face-to-face encounter with our God! That can happen when we pray for them!

Let's pray these scriptures together. I am using the Passion translation.

*Acts 26:16-18, "Get up and stand to your feet, for I have appeared to you to reveal your destiny and to commission you as My assistant. You will be a witness to what you have seen and to the things I will reveal whenever I appear to you. I will rescue you from the persecution of your own people and from the hostility of the other nations that I will send you to. And you will open their eyes to their true condition, so that they may turn from darkness to the Light and from the power of Satan to the power of God. By placing their faith in Me they will receive the total forgiveness of sins and be made holy, taking hold of the inheritance that I give to My children!"*

*Father, we thank You, that all the people listed below in this prayer will become Jesus's assistants and witnesses just as we are. We thank You, Father, our Righteous Judge, that You open every woman's eyes and ears who are in leadership. We thank You that each woman leader hears Your voice and has eyes to see Your glory. We thank You, for a face-to-face encounter between You and every feminine leader in this nation. We call each one listed below*

out of darkness and into Your light so they make decisions based upon the light instead of the darkness. We call each one away from the power of Satan and into the power of God. We thank You that they place their faith in Jesus Christ and they receive total forgiveness of their sins. We thank You, Righteous Judge, that you make each one holy even as You are holy. We thank You that they take hold of the inheritance that You give us as Your children.

Father, Your word says in 1 Peter 2:9-10, "But you are a chosen treasure- priests who are kings, a spiritual "nation" set apart as God's devoted ones. He called you out of darkness to experience His marvelous light, and now He claims you as His very own. He did this so that you would broadcast His glorious wonders throughout the world. For at one time you were not God's people, but now you are. At one time you knew nothing of God's mercy, because you hadn't receive it yet, but now you are drenched with it!"

For those feminine names in authority listed here Father we call this scripture into being for each one! We thank You, oh Righteous Judge that each one of these women in leadership in this nation are a chosen treasure, priests who are kings, a spiritual nation set apart of Your devoted ones. We thank You, Father God, that you have called these powerful women out of darkness to experience Your marvelous light, and we thank You, Father that you claim each one of these women as Your very own. You did this so You can use each one of them to broadcast Your glorious wonders throughout the world. These women are Your people and they have received Your mercy, in fact they are drenched with Your mercy! Thank You, our Father, that these women leaders are given this great opportunity to make a decision based upon their personal encounter with You this day in the mighty name of Jesus Christ.

We thank You, that angels are going even now as we pray together in unity for these feminine American leaders. Angels are dispatched immediately to do Your good pleasure concerning each woman listed below. We call them by name now before You, oh Righteous Judge. As they walk with You, they will make Your praise glorious and Your name famous on their lips in Jesus' mighty name. If for whatever reason they so choose to turn their backs on You, we thank You that you remove them and replace them with a righteous woman for Your glory. So be it! Amen and amen!

*As I have typed out each name and the state they represent I purposely left off their party affiliation because we are praying for the hearts of women in leadership in this great nation. Their party affiliation has nothing to do with anything that we are representing before the throne of grace and the court of heaven. Thank You, Father God, for revealing Your face to each woman personally. This is what our nation must have and we call it into existence in the name of Jesus Christ, Amen.*

Please stand with me Women Of The Nation as we pray and believe for God to touch the heart's of these women leaders in our great nation. I am printing this prayer out and putting it before my eyes in several different places so I remember throughout the day to pray for these great women for the glory and purpose of our Lord and Savior. Love covers a multitude of sins. Let us be the organization that covers instead of exposes.

In His plan,

Cheryl Salem
