Women Of The Nation, Pray!

I am endeavoring to make these prayers a bit shorter for you so you can print them out, and post them in front of your eyes and pray them throughout the day each day until the next prayer comes in your email. We need our prayers to be 'sounding' across the land! So pray out loud whenever possible. There is much power on the earth through our sound waves, through our words and prayers! Please keep us covered in prayer throughout the day as we take more ground from the kingdom of darkness and poke holes in the demonic strongholds over this region.

If you are in the Mississippi area, please mark your calendar for November 23, 2019 6:00PM-9:00PM at First Presbyterian Church, Grenada, MS. This is not a full Summit as you can tell by the time line but the Lord is giving me instructions of how to go in to certain areas for the first time with shorter services. This is our first in MS. When I was in my home state in March, we had our first pre-planning, WON team meeting, in the home of Pastor Liz Vance in Grenada, MS. My little mama, Carrie, my sister, Paulette Jones, and my dear friends, Cassandra Boatman, and Rhonda Sellers, have been helping me pray this through and get the 'ground ready' for us to bring WON to MS. We had sixteen ladies in our first planning meeting and the when and the where was prayed through and decided. Mark your calendars and help me turn the demonic forces away from my home state!

If you would like to host a WON Summit in your area, or a three hour WON service please let us know so we can start praying and seeking the Lord about when to do this in your area. Call Debbie 918-639-1747 or email me directly and we will start the plan. Right now, I am planning for 2020 so you have plenty of time to get your area team together!

I am forever grateful and thankful for you as we push back the darkness together and allow the Light of our Father God to spring forth on our great nation. We are praying for a righteous revolution revival to hit America with a force that all will have to take notice!

Pray with me!

Ephesians 1:9.10-17, 21-22, Your word gives us such hope as we pray what You have said about America! We call those things that are not as though they were already here! (Romans 4:17). We have kept America always in our prayers that America would receive the perfect knowledge of Your pleasure over our lives here in America, making us reservoirs of every kind of wisdom and spiritual understanding. We pray that America and all her people would walk in the ways of true righteousness, pleasing God in every good thing we do. Then we become fruit-bearing branches, yielding to our lives, and maturing in the rich experience of knowing God in Your fullness! We pray

that all God's people in America would be energized with all Your explosive power from the realm of Your magnificent glory, filling us with great hope! Our hearts can soar with joyful gratitude when we think of how You made us worthy to receive the glorious inheritance freely given to us by living in the Light of You, our Lord and Savior! You have rescued us completely from the tyrannical rule of darkness and You have translated us into the kingdom realm of Your beloved Son, Jesus! For in Jesus all our sins are canceled and we have the release of redemption through Jesus very blood.

Even though America has been distant from You in so many ways, living in the shadows of their evil thoughts and actions, we are so thankful to You, our Father God, that You have reconnected us back to You! You released Your supernatural peace to us through the sacrifice of Your own body as the sin-payment on our behalf so that we would dwell in Your presence forever. And now there is nothing between us and our Father God, for You see us as holy, flawless, and restored, if indeed we continue to advance in faith, assured of a firm foundation to grow upon. We will never be shaken from the hope of the gospel we have believed in, and this is the glorious news we preach all over the world!

Father, we stand in the gap for America, and we call those things that are not as though they already are for our nation. We are the remnant who will not lose hope or give up. We look with Your eyes instead of at the sin of mankind. We listen to Your Spirit and protect our hearts, securing our hope through our own words spoken. We will not give the enemy any words to use against us, or our great nation. We ask for You to strike from the record any words we have said against us nation, or against the people of our nation. We cry out for mercy, grace, and Your love to cover America again. Be enthroned on our prayers, Father. We lifted high above the onslaught of the enemy as he tries to advance among the American people. Father, we ask that You strengthen us, and You shut the enemy down at the borders of America. We confess together America shall be saved. We cry out for a righteous revolution revival to be released from coast to coast, as a tidal wave of Your glory covers every state, region, county, parish, and community. Awaken Your bride, Father! Awaken Your church and make us ready for Your coming! We pray in the mighty name of Jesus Christ! Amen.

I love you and thank God for you!
