Women Of The Nation! Pray!

God is on the move in our midst! I am forever grateful for your commitment to stand and pray with me. Please remember to share the website with those in your circle of influence and help me double our prayer warriors with each one reaching one this week! [www.womenofthenation.org](http://www.womenofthenation.org)

The word the Lord has given me for us to pray together over the next two weeks for our precious United States of America is from Isaiah. Women Of The Nation, please pray the Word of the Lord together out loud and let's watch what the Lord will do!

**The Lord will fight for America! We are Your people, Lord! Your word promises in Isaiah 31:4-9 that You will fight for us! This is what Yahweh said to me: "When a lion, the great beast, grows over his prey, and when the shepherds band together against him, the lion is neither terrified by their shouts nor disturbed by all the noise they make. So will Yahweh, the Commander of Angel Armies, come down to fight for The United States of America upon our worship and upon the hill we create through our worship! Rise up, oh worshipers and make His praise glorious!**

Just as a bird hovers over its nest to protect its young, so will Yahweh, Commander of Angel Armies, shield America. He will protect her, deliver her, spare her, and rescue her! In the name of Jesus, God's people in America will rise up and worship the One true God as the God of our nation.

Repent and return oh people of God who live within the borders of these United States! People of America! Repent and turn back to God, whom you have betrayed. For a time is coming when all people will throw away their sinful idols of silver and gold and forsake all that their own hands have made. Our enemies will fall by the sword but not the sword of man. It will not be man's sword that will slaughter them but God's! They will run from battle, and their young men will be made slaves. Fear will cause our enemies to surrender their high fortress, and our enemies will panic at the sight of us, God's Kings and Priests, and desert their battle flag, says the Lord God of the fire that burns in our worship and whose furnace burns in our nation bringing purification, righteousness, and holiness to the forefront of this great and godly nation once again. Rise up oh daughters and worship the King of kings for He is coming and we must prepare the bride! Take your position with your hands raised in worship. Stand still and see the salvation of the Lord!

Please remember to keep my meeting representing you next week in Senator Leyva's office in prayer. Please be on your knees while I am meeting with her. I believe this is the open door we walk through to start a great righteous revolution revival from the west coast, then the east coast, then the whole nation on fire for the glory of God and the whole nation covered in the water of His presence! Fire and water from heaven. Yes, Lord, so be it!

Love to all from my heart to yours. Keep the fight! Hold your faith and your place! Don't lose an inch of ground for Jesus is coming!
