

Dr. Cheryl Salem
Women of the Nation,
President
P. O. Box 1595
Cathedral City, CA 92234

October 26, 2019

Women Of The Nation please pray God's word with me.

Father, we come before You today to bring Your word as legal precedent. We plead our case before You for this nation, and for righteousness to be restored in America. To begin we cite Hebrews 12:23, "To the general assembly, and the church of the firstborn who are registered in heaven, to God the Judge of all, to the spirits of just men made perfect." Psalm 89:14 states, "Righteousness and justice are the foundation of Your throne; mercy and truth go before Your face." Psalm 97:2-3 further state, "Clouds of darkness surround Him; righteousness and justice are the foundation of His throne. A fire goes before Him, and burns up His enemies round about." Our final scripture we bring before You, oh Righteous Judge is from the book of Daniel 7:25-27, "He shall speak pompous words against the Most High, shall persecute the saints of the Most High, and shall intend to change times and law. Then the saints shall be given into his hand for a time and times and a half a time. But the court shall be seated, and they shall take away his dominion, to consume and destroy it forever. Then the kingdom and dominion, and the greatness of the kingdoms under the whole heaven, shall be given to the people, the saints of the Most High. His kingdom is an everlasting kingdom, and all dominions shall serve and obey Him."

With the above verses we stand and plead for righteousness to be restored in America. We plead for You to dispatch angels, legions of angels, from coast to coast, and border to border to help us defend and protect Your righteous people and the laws that protect us within these great United States of America. Father, darkness has set in, and has tried to push back the light of Your love and grace. Darkness has tried to change the natural laws and vilify Your people simply because we choose to walk in Your life and love. The devil comes to kill, steal, and destroy and he has unleashed an unholy army from the pits of hell against just men and women made perfect. We stand our ground in prayer and take our position to see the salvation of the Lord. Light is being called dark and evil is proclaimed as good. There is an unholiness of infection within the minds and hearts of Your people infiltrating and deceiving those who once stood firmly for You.

We cry out for divine help; we cry out for supernatural manifestation of Your presence and purpose to come forth within Your churches and a righteous revolution revival to spread quickly Lord! We need divine intervention if we are to hold back the darkness that is rolling across state to state in this great land. Put a watch over our mouths and a guard upon our hearts. Open our eyes so we may

see what is truth and what is a lie from the pit of hell. Show forth Your glory as we denounce the enemies' schemes to take down our nation. Father, reveal Yourself to every person who has eyes to see and speak directly to all who have ears to hear what the Spirit of God is saying! Speak Lord! Move Father! We beseech You, in Jesus' mighty name and His authority, we pray in unity, Amen.

As a quick update I met with the office of CA State Senator Connie Leyva today. The Senator was not able to make the meeting because of a family issue, but Tiffany Coleman and I met with her chief of staff, Vanessa, and Alex Martinez. At first I was uncertain of where the meeting would go as there was quite a bit of antagonism I felt. But the Spirit of the Lord intervened and before we were finished I felt the Lord had shifted her position and she assured me that she agreed we should be allowed to bring prayer within the State Capital building. I foresee within the coming months that we will be sponsored by a senator or representative to do just that; we will take prayer within the walls of the CA State Capital building in due season. The Lord orders our steps; His timing is perfect. His will is divine. May prayer go forth throughout these United States of America in every local, state, and federal building in the name and authority of our Lord and our Savior Jesus Christ. Please continue to pray to this end as we stand together and declare and decree His word through our prayers.

I remain faithful to the call of Christ upon my life and upon our ministry.

Eternally we stand in unity before our Righteous Judge and King!

Cheryl Salem

President and Founder, Women Of The Nation
