Women Of The Nation Pray!

(Galatians 5:1-10) *PT* We set precedent before our King, oh Righteous Judge as we pray Your word before You. Your word states that the Anointed One has set us free—not partially, but completely and wonderfully free! We must always cherish this truth and stubbornly refuse to go back into the bondage of our past. When we act as though Jesus Christ is not enough remind us Righteous Judge to not fall into an anarchy spirit within this nation. The definition of anarchy is a state of disorder due to no recognition of authority. Father, we plead our case before You and ask that You send angels to our nation, from coast to coast and border to border break the demonic spirits of anarchy trying to tear our nation apart from within its people. We cry out for unity to be restored here in our great land, oh Righteous Judge. We are asking for a heavenly spirit of unity to be released in every little town and community, counties, parishes, districts, states, and within our entire United States of America. We call forth the power of our very name, UNITED STATES OF AMERICA, to be reestablished and every demonic force trying to tear us apart with division to be brought low and must bow their knees and acknowledge that the King over America is Jesus Christ, the Anointed Messiah of the world. We ask that this nation be put back in the hands of its people and the ungodly ones in authority be removed from power. We pray Father God, that godly people will be led by Your Spirit to run for office and take back the natural powers in our nation, and reestablish divine God led government here.

If we want to be made holy by fulfilling the obligations of the law, we have cut off more than our flesh—we have cut ourselves off from the Anointed One and have fallen away from the revelation of grace! God forbid! We do not want this in our nation oh Righteous Judge. May the Holy Spirit move among every American convincing us that we have received by faith the glorious righteousness of the Anointed One. When we have been placed into the Anointed One and joined to Him, manmade law, rules, regulations, and religious obligations cannot benefit us. Oneness with Christ is our great benefit. We will not forget even one of our benefits through Christ! (Psalm 100)

All that matters now is living in the faith that is activated and brought to perfection by love. Before we were led astray, we were so faithful to Jesus Christ in this nation. Help us Oh Righteous Judge to stop turning away from what is right and true and stop the spirit of deception that has plagued our great nation. We bind the spirit of deception in the name and authority of the name of Jesus Christ. We ask Father, that a cease and desist order be sent throughout this nation to all demonic spirits and powers causing havoc, division, disorder, and anarchy within our nation.

Jesus Christ has enfolded us into His grace and He is not behind this false teaching that Americans have embraced. Not at all! We must know that when we allow even a little lie into our hearts, it can permeate our entire belief system. We must reverse the curse over the thinking in the minds of Your divine people within our great nation. Send divine help, oh Righteous Judge! Holy Spirit, release a righteous revolution revival in every state with the power of glory from above!

Deep in our hearts we have faith that the Lord Jesus, the Anointed One, who lives in so many of us here in America, will bring us all back around to the truth. I'm convinced that those who agitate the fleshly thinking within unrighteous Americans will be brought under God's judgment!

We ask this in Your name, Jesus Christ, and believe in our hearts that You will do what we ask through the authority and the name as we plead our case before You oh Righteous Judge. Send a divine miracle across this land as we give thanks and praise to You! May it be so, amen!

I want to give you an update and ask that you begin to pray that I have more organization, strategy, and unity even in my mind as we begin to coordinate by the Spirit of God for the upcoming year of 2020. The Lord has shown me through much seeking His face that we must build strong our foundations in areas and within states that He is leading us to take WON unified prayer. I am working to first establish a group in particular states. We are already well over into the hundreds of unified women in five states, CA, NC, MI, AZ, and AL. My goal is to continue to strengthen these state groups by revisiting each state in 2020 with an expanded plan by bringing our men along side us to pray and stand. We will soon be launching the brotherhood side of Women of The Nation led by my husband, Harry Salem, with Men Of Valor Emerge (MOVE). Since we as a women's divinely called group have been praying for the reestablishment of our men to take their godly places in this nation it is time to merge our Summits together. We have already set a date in NC, with Pastors Rocky and Vangie McLendon in April. We are working on locations and dates to do the same in MI, CA, AZ, and AL.

We will also endeavor to establish a beginning foundational group in several more states this upcoming year in MS, LA, and TX. I am trying not to run ahead of the Lord but wait on His leading, as He trains me in the steps needed to actually build a strong foundation. It takes organized women, standing together, with one mind and purpose. If you feel led to stand with me as the 'lead' in your state please reach out to us through this email and tell us what is on your heart. I am very thankful for you. I need your help more than you know. I need you to keep sharing our web site and help us get a team of women in your area!

Much love, thanksgiving, and prayer is going forth for you as we stand together to take our nation back for the glory of God!

In His Service,

Cheryl Salem
