Women Of The Nation it is time to pray like never before!

His word stands forever. His word never changes. He watches over His word to perform it. Let us pray His word in unity for our nation, for the upcoming election, and for every position about to be taken in any office whether local, state, or national. We need the leading and guiding of the Holy Spirit to every person to first and foremost vote! Next to listen and obey what the Spirit of God says to do.

Father God, oh Righteous Judge, we bring Your word before You citing precedent in Your court. Your word states in 1 Timothy 2:2-4 that we are to pray for every political leader and representative, so that we would be able to live tranquil, undisturbed lives, as we worship You with pure hearts. It is pleasing to You that we pray for them. You long for everyone to embrace Your life and return to the full knowledge of the truth. (TPT)

We ask Father God, for every person running for office right now in whatever position whether local, state, or national government positions that You reveal Yourself to them and each one must choose to serve You as they serve this nation. Father, if they choose not to serve You, we pray that You would remove them from office. If they are running for office we ask that You would not allow a godless person to take a position of decision making in authority over any of us who now stand in the gap for righteousness.

We stand for righteousness and we call forth righteous leaders and representatives. We pray for those who honor You, and Your church. Your word says that the gates of hell shall not prevail against Your church, but Father, the gates of hell have been trying to shut down the churches across this nation for far too many days, weeks, and months and in some states with godless leadership they have passed local and state laws against Your pastors, leaders, churches, and even against worship. They are deceivers among this nation who have political power and we ask that the godless unrighteous people be removed from positions of authority in the mighty name of Jesus!

In James 3:17 Your word states that the wisdom from above is always pure, filled with peace, considerate and teachable. It is filled with love and never displays prejudice or hypocrisy in any form. (TPT) The injustice in America has become unbearable oh Righteous Judge. We ask for justice and righteousness to be restored in our land. We ask for the demonic forces of anger, hatred, violence, confusion, and strife to stop in the name of Jesus. We rebuke these demonic forces and all who have perpetrated these demonic forces through their own natural powers we ask for You to personally remove them from the land.

Do what You must do to restore order, godly dominion, power, and authority in America. Remove those from office who must be removed, and replace them with godly men and women who will listen and obey Your Spirit. Those leaders, who are following You, keep them in their position until You have completed Your mission through their lives in the name of Jesus. You open doors no man can shut and You shut doors no man can open! We are crying out for supernatural intervention in

America, Lord. Awaken Your church; awaken Your people. Prepare Your bride as we prepare for Your coming!

Psalm 45:4 states a great word for this season, Righteous Judge. In Your glory and grandeur go forth in victory! Through Your faithfulness and meekness the cause of truth and justice will stand. Awe-inspiring miracles are accomplished by Your power, leaving everyone dazed and astonished! (TPT) We petition Your court for You to shut the mouths of the godless media and give those positions to those who will speak truth, justice, and righteousness through facts and truths, not their own agenda and personal opinions, Father.

Zechariah 7:9-10 states that You have made this declaration and we agree with You. This is what the Lord Almighty said: 'Dispense true justice; and practice kindness and compassion, to each other; and do not oppress or exploit the widow or the fatherless, the stranger or the poor; and do not devise or even imagine evil in your hearts against one another.'

Father, we ask You to awaken us to act like Your people once again; instead of the lawless actions and thinking that is nothing like You. Father, awaken us to see that the culture of this age has deceived so many into being and doing exactly opposite of Your nature. Recreate within us a clean heart and teach us how to love one another once again. We cry out for Your justice to put an end to the tyranny and terrorist demonic spirits that have tried to overtake our land with violence and hatred. Restore order, justice, and peace to America. Restore unity and our freedom, Lord.

The beauty of this nation is that we have the freedom to choose without the government dictating laws that are against our first amendment rights. Father, teach us how to fight the good fight of faith to keep our freedom. Awaken us to recognize and take authority over the demonic spirits and forces that are trying to infiltrate our nation to steal, kill, and destroy this godly society. These demonic and antichrist spirits must leave our land now in the name of Jesus Christ! Amen!

Thank you for continuing to pray with me. I will do my best to go live on our Women Of The Nation Facebook page to pray with you more often especially over the coming weeks. This election, like all elections, is important for America, and for God's people in this land. We must be watchmen and women on the wall, intercessors and prayer warriors for our Lord and King! Thank you for your faithful prayers as we stand united for His glory. Don't forget what a privilege it is to vote.

In His Service,
