Women Of The Nation Pray!

We have been called to stand as watchmen and women on the wall of our nation. We must surround our land and God's people in prayer! There is no longer any time to wait. We have been called for such a time as this! The King may have not called for us in thirty days, but we will not remain silent! Relief and deliverance will arise for America and for righteousness within our borders. The phrase in the Book of Esther 4:14 states and I paraphrase, "For if you remain completely silent at this time, relief and deliverance will arise for God's people from another place, but you and your household will perish because of your silence." The AMP translation continues, "Since you did not help when you had the chance! And who knows whether you have attained royalty for such a time as this and for this very purpose?"

My question for you and for all of us, "Are we listening when He is calling us to stand, use our voice, take our positions, pray and believe God for relief and deliverance for America and for God's people within this land?" I believe you are listening! I believe you are praying! I believe you are standing with me and we stand with the King of Kings!

***Oh Righteous Judge, hear our cry! II Chronicles 7:14 gives us a clear plan as to how to win favor in Your court for America and for righteousness to be the standard here. Your people stand before you, making petitions and supplications. We are called by Your name. We humble ourselves as we use Your name for our plea. We plead the blood of Jesus for righteousness to sweep our land, through the name of Jesus Christ. We fall on our faces before Your court as we pray and seek Your face. We crave and require as a necessity Your face to be turned toward us at this time. Do not turn Your back on us now, Father God. We do the turning! We turn from wickedness and from our wicked ways and we repent and ask for national forgiveness. Thank You, that You hear us as we cry out to You. You are in heaven and we approach Your heavenly court as citizens of heaven. We cry out for our citizenship to stand in the gap for our great land we call the home of the free.***

***Oh Righteous Judge, freedom is the issue now. Our freedom has been threatened and there is strife in the land. A demonic spirit of rage, anger, division, and hatred has been unleashed from the pit of hell of the American people have fallen into deception and seem to have lost their ability to see and hear clearly. Father, send angelic forces to combat the demonic realm and remove the darkness that has clouded the sight and hearing of Your***

*people in America. Remove the dark veil that has been cast over God's people so that they may see again what is truth and what is a lie. Hear from the court of heaven and reverse this curse over America in the mighty name of Jesus. Forgive us for all the sins that have been committed here, by the righteous and the unrighteous. Forgive us for all the lives that have been lost, the blood that has been shed that should never have been spilt upon the ground of this great land. Oh Righteous Judge, HEAL OUR LAND! We need Your divine intervention to combat the evil unleashed against Your people and against our land. We cry out, heal our land.*

*We are divided and we need a divine spirit of unity to sweep over Your churches bringing us together with one voice, and Your power and authority. Raise up a leader that is pure and holy without personal agenda who can speak for all of us. We stand ready to unite. We stand ready to fight the good fight of faith for America. America is Your nation. America stands with Israel. America is one nation under God. We proclaim it. We declare it. We decree it. We believe it. We release our faith together and send Your word knowing that You will deliver us from the pit of destruction and heal our land.*

*You have done it before; we cry out for You to do it again! In the mighty name of Jesus Christ, we believe! Amen.*

Please keep standing, praying, and believing for America to be restored. I had many scriptures I wanted to use today for this prayer but the Lord gave me these two verses and led me to use them in His courtroom. Please continue to pray with me. Share these letters with all your friends and family and encourage them to go to the [www.womenofthenation.org](http://www.womenofthenation.org) web site and join us in the fight to pray for America.

In His Service,

Cheryl Salem

Founder and President, Women Of The Nation

PS. Please keep praying for our elections on every level. May righteousness be restored; may people be holy, pure, and just. May God's justice and mercy go forth throughout our land and silence the screaming voice of hatred and division.
