Women Of The Nation,

We stand together and uphold His word of power with our faithful prayers. We believe as we pray that we are making a difference! Let's continue to pray together using God's word as precedent in the court of heaven before the Righteous Judge.

Let's pray together!

Oh, Righteous Judge,

We bring Your word and we pray together in Your court as we use Psalm 94 to remind You of a prayer prayed long ago and is still sounding in Your throne room. O Lord God, You to whom vengeance belongs, o God, You to whom vengeance belongs, shine forth in judgment! Rise up, o Judge of America and give to the proud a fitting compensation. O Lord, how long will the wicked, how long will the wicked rejoice in triumph? They pour out words, speaking arrogant things; all who do evil boast proudly. They crush Your people, O Lord, and afflict and abuse Your heritage. They kill the widow and the alien and murder the fatherless. Yet they say, "The Lord does not see, nor does the God of Israel notice it." Father, we cry out! Notice what evil man does in our land!

Consider thoughtfully, what the senseless and stupid ones among the nation, the dull minded fools who continue to rule in power, Father, remove them from over us and cause them to become wise and have understanding! Father, You made the ear, hear us! You formed the eye; see us, Righteous Judge! Look at Your people, and look at this nation. He who instructs the nations, will You not rebuke and punish those who continue in such evil? You know the thoughts of man, that they are a mere breath of vanity, empty and futile. Help America, Lord!

Blessed with wisdom and prosperity is the nation whom You discipline and instruct, O Lord, and whom You teach from Your law; that You may grant America power to calm herself and find peace in the days of adversity, until the pit is dug for the wicked and ungodly. For You will not abandon Your people in America, nor will You abandon Your inheritance. For judgment will again be righteous, and all eth upright in heart in this nation will follow it we confess and pray. Who will stand up for America against the evildoers?

Women Of The Nation will stand up against evildoers Father! Who will take a stand for America against those who do wickedness? Lord, we need You to stand up for America against those who do wickedness!

If the Lord had not been America's help for the last 250 years, we would soon have dwelt in the land of silence. Father, give us strength to not be silent any longer, this so-called, silent majority, Father, where are they? Help righteous America to find her voice once again and take our stand! If we say, "Our foot has slipped," Your compassion and loving kindness, O Lord, will hold America up. When anxious thoughts multiply within our land, Your comforts delight us.

Can a throne of destruction be allied with You, one which frames and devises mischief by decree under the sacred name of law? Let it not be so, O Righteous Judge! They band themselves together against the life of the righteous and condemn the innocent to death through abortion. But You, O Righteous Judge, have become America's tower and defense, and our God, the rock of America's refuge! Righteous Judge, turn back their own wickedness upon them and destroy them by means of their own evil; we stand upon Your word and cry out for You our God to wipe them out completely from America in the mighty name of Jesus!

Please keep praying with me. His word is our weapon and we wield it skillfully under His instruction.

In His Service,

Cheryl Salem
