Women Of The Nation, Pray!

We must become organized, strategic, and unified once again in our prayers together, and soon, hopefully, we will be able to assemble together before this year is over to pray face-to-face, linking arm in arm! I pray for it; I see it in my spirit vision!

Let's pray together!

*Oh Righteous Judge,*

*We come before You today, citing I Peter 4:1-7 as our scripture precedent. Since the Anointed One has suffered in the physical body, we must arm ourselves with the same attitude in purpose, because the one who has suffered pain in the physical body has broken off all involvement with wrongdoing. No longer will we live the rest of our time in the physical body influenced by the passions of human existence, but rather we must live to accomplish the purpose of doing the will of You, oh Righteous Father.*

*After all, the time already past is more than enough to have been influenced by the passion of the heathen peoples, having followed the path to indecent sensuality, to addictive lusts, to drunkenness, to decadent carousing bingers, to wild immoral parties, and terrible worship of idols. In respect to this, people slander us because they are so surprised that we no longer run after the same excesses of self-destructive indecent behavior as they do. As a result, they must give testimony on behalf of Christ who is ready to pass judgment on the living and on the dead. For this purpose, the good news message has been proclaimed to those who are dead so that even though they are judged in the physical body according to human standards, they might live spiritually according to Your standards.*

*The completion of everything has arrived for our nation, Lord. So then, we must keep wholeheartedly focused and disciplined in our prayers together being strategic, organized, and unified as we stand together for America. Above all else, we will continue to demonstrate fervent love one for another because love covers a multitude of sins and a million wrongs. Father, help us show hospitality to one another without complaining. As each one has received a talent, may we use it in serving one another as competent managers of the multifaceted grace of God.*

*When one of us speaks, may we do so as one who is speaking the teachings directly from You, oh Righteous Judge. Whoever provides service may we do so as one who is serving by the strength which You supply. So then, in everything oh Father, may You be glorified through Jesus, the Anointed One, to whom belongs the glory and sovereignty, forever and ever, Amen.*

Thank you for continuing to pray the Word of God with me, knowing that He has promised to watch over it to perform it. I thank the Father God that we stand in His court, as Jesus is our full and complete defense. The enemy has tried to accuse us and put shame and blame upon us but we will not receive on us, what Jesus has already defended and won the victory for us. In all things we give glory and praise and stand our ground with our great Defender! I am also, thanking God every day that the Holy Spirit is Jesus Christ's Co-council concerning our well-being and our futures! May we stand linked arm in arm giving Him full glory at all times. May our nation, America, continue to be the home of the brave and the land of the free! We declare it, proclaim it, confess and decree it in the mighty name of Jesus Christ, the Anointed One!

Please continue to pray for this wretched virus to leave our land and take with it the relentless fear, chaos, and confusion that have been unleashed here. May we be able to join together soon in one voice of harmony and praise to our Lord and Savior. Keep praying! Keep standing!

Do me a huge favor and send all your friends and family to the web site to sign up to receive our bi-monthly email prayers.

We remain in His service and love,

Cheryl Salem
